Summer Fun for the Whole Family

Discover a Hidden Treasure

Step back to a time when families gathered together for lazy afternoons at the local pool. Nestled among towering trees on a secluded ten acres just minutes south of Old Town Alexandria, Little Hunting Park Pool and Tennis Club (LHP) offers old-fashioned family fun for hot summer days.

Imagine your ten-year-old is invited to join a rousing game of Sharks and Minnows in the diving well, while your three-year-old frolics in the wading pool with a new friend.

Picture yourself taking a break in the shade while you savor a grilled burger and Gator Taters as your spouse plays tennis with one of our wonderful members who make Little Hunting Park a fabulous place the whole family can enjoy.
